ADVISORY LETTER 2020-04

TO: ALL PRODUCERS LICENSED FOR THE LINE OF TITLE AND ALL TITLE INSURERS

FROM: JAMES J. DONELON, COMMISSIONER OF INSURANCE

RE: ACT 310 OF THE 2020 REGULAR SESSION OF THE LOUISIANA LEGISLATURE

DATE: OCTOBER 22, 2020

Please be advised that Act No. 310 of the 2020 Regular Session of the Louisiana Legislature (“Act 310”) relative to the qualifications for a producer license for the line of title insurance will become effective January 1, 2021. Act 310 amends and reenacts the following statutory provisions in the Louisiana Insurance Code (Title 22): La. R.S. 22:512; 22:513; 22:519; 22:1545; and 22:1571. Act 310 sets forth certain requirements for obtaining and maintaining a producer license for the line of title for both individual and agency producers.

The purpose of this Advisory Letter is to provide guidance and instructions to individuals and agency producers on the procedure to demonstrate to the Louisiana Department of Insurance (LDI) that they comply with the requirements of Act 310 prior to the effective date of January 1, 2021. As used herein, the term “agency producer” shall be synonymous with the term “producer agency” as set forth in La. R.S. 22:1546(B), which is a business entity acting as an insurance producer.

An individual who is a resident of Louisiana and has been licensed by the LDI is not required to provide any additional information to the LDI. A business entity that has been licensed by the LDI as a resident agency producer with a primary place of business in Louisiana is required to submit the attached form, entitled “Affidavit of Resident Title Agency Producer,” signed by an officer or member of the agency producer certifying that neither the agency producer itself nor the agency’s designated responsible producer(s) has ever had a producer license suspended, revoked or refused in any state.

As of January 1, 2021, an individual who is a non-resident licensee must be a full-time employee of an agency producer whose principal place of business is in Louisiana and must be affiliated with that producer agency pursuant to La. R.S. 22:1546(B). The non-resident licensee and a representative of the agency producer employer must complete the attached form, entitled “Affidavit of Non-Resident Title Producer,” and return it to the LDI. The agency producer employer must submit the affiliation electronically using the Affiliations module of the LDI Industry Access System no later than December 31, 2020.

An agency producer who is a non-resident of Louisiana and has been licensed by the LDI must meet two new criteria as per La. R.S. 22:512 and La. R.S. 22:513, as amended and reenacted by Act 310. The licensed non-resident agency producer must have a principal place of business within Louisiana which is suitable for conducting the business of title insurance and real estate closings. The licensed non-resident agency producer must also appoint as a designated responsible producer an individual who is both a resident of Louisiana and is licensed for the line of title. An officer or member of the agency producer must, no later than December 31, 2020, complete and submit the attached form, entitled "Affidavit of Non-Resident Title Agency Producer," certifying that the Louisiana location meets these requirements and that neither the agency producer nor the designated responsible producer has ever had a producer license suspended, revoked or refused in any state. In addition, the agency producer must submit the affiliation of the resident designated responsible producer electronically using the Affiliations module of the LDI Industry Access System no later than December 31, 2020.

Pursuant to Act 310, effective January 1, 2021, the Louisiana producer license of every non-resident producer, whether individual or agency, who has failed to comply with the guidance and instructions set forth in this Advisory Letter will be cancelled. This cancellation will not be considered an administrative action and therefore will not be reported to the National Association of Insurance Commissioners or the National Insurance Producer Registry. Any licensee with a license cancelled for failure to comply with Act 310 may make application for a license after January 1, 2021, by submitting the required application and fee and showing compliance with all applicable statutes and regulations.

If there are any questions regarding this Advisory Letter, please contact the Deputy Commissioner for the Office of Licensing, electronically at public@ldi.la.gov.

Baton Rouge, Louisiana, this 22nd day of October, 2020.
